

ConcordisRyland Overview

CONCORDIS
REAL ESTATE

Concordis Real Estate is the first and largest national commercial real estate services company wholly owned and operated by minority and women owned business enterprises. ("MBE/WBE"). **ConcordisRyland** is a commercial real estate services firm dedicated to providing extraordinary real estate solutions.

The **Concordis** National Service Delivery Platform is structured to provide a comprehensive solution for clients with national real estate service requirements. One of the **Concordis** professionals will act as the single point of contact for all real estate needs, thereby minimizing the time and expense of managing multiple providers, and ensuring a consistent quality service deliverable. Local market expertise is provided and coordinated through one of the **Concordis** Regional Offices working in tandem with affiliate office professionals, if needed.

ConcordisRyland's management team represents a dynamic blend of experience, leadership and innovative thinking, and has a well-deserved reputation for integrity.

ConcordisRyland was honored with the **2004 Emerging Ten Award** by the Houston Minority Business Council. This prestigious award recognizes Houston area minority owned enterprises that are setting trends and embracing the future's business marketplace concepts. Companies receiving this award are known for their innovative approaches, community involvement and expertise.

Concordis Ryland was awarded **2006 Regional Service Firm of the Year** by the Minority Business Development Agency (MBDA), Dallas National Enterprise Center (DNEC).

The **ConcordisRyland** Team has gained significant experience in representing and advising clients with complex and multidimensional requirements. A representative list of clients represented include the following:
